Deb and Betsy,

I haven't heard anything since the last meeting. I will reach out to my EJ contact there, Alex Helling, and will let you know what I learn.

On a related note, I am in the process of compiling the list of ongoing and planned EPA activities in the industrial triangle area and plan to have something to share with you next week.

Betsy – Please let me know if there's anything you'd like me to add to the list as a result of VB/I70 developments.

Corbin

Corbin, please update. Betsy, given the early stages of the CDPHE effort to bring agencies together, please reach out to Jen on current activities.
